Water system: Calorifier

A GREAT FIRST BOAT

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Access is gained by stepping over the side into the spacious cockpit. There is full width aft seating. Engine access is under the aft seating. The helm is port side and navigator's seat is stb side. The Executive benefits from a full-length hard top which is ideal for the English weather. The centre door then leads down to the open plan cabin. The toilet compartment is Stb side as you enter the cabin. It's fitted with a hand basin and a manual sea toilet. Opposite on the port side is the dinette. This converts to a double berth and has storage beneath. Opposite is the galley which is equipped with a stainless-steel sink and drainer with a mixer tap, two ring LPG hob and grill and ample storage space and work surface. Fwd is the 'V' berth which also converts to a double. For a 25 foot boat, the Princess 25 is very well thought out and offers a lot of accommodation. Making Memories would make an ideal first boat.

Inventory: Navigation lights, Lowrance GPS, VHF, Speed log and depth sounder, Fixed trim tabs, Windscreen wiper and 240v shore support.

Decks: Anchor, Anchor chain, Spotlight, Fenders, Warps, Stainless steel pulpit rails and grab handles.

Safety: 3x Fire extinguishers, Automatic engine room fire extinguisher, Horn, Fire blanket, Bilge pump. BSS to be supplied.

End of report
