The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Marine 19 XL was designed for you who want fun and freedom at sea. A boat for doing many things: day trips, relaxing in the sun, diving into the sea, fishing, practicing water sports. It stands out for its sporty and youthful style that can be customized to your liking. The spaces have been well designed and on board you have the sensation of being in a much larger boat.
